Dear Parents/Relatives,

Re: Beeches Visiting Policy UPDATE #5

The Public Health Agency has completed its review of the visiting arrangements for care home in Northern Ireland as laid out in the document “**Visiting with Care – A Pathway**”.

Based on this review the PHA has confirmed that now is the time to move the second stage of the Pathway “Gradual Easing”. The following change to visiting arrangements effective from 20 October 2021:

- **All residents will be entitled to 4 visits per week from up to 4 people from no more than 2 households.**

All other arrangements i.e., advance booking for visits, infection control and social distancing procedures, joint planning for trips out etc., remain unchanged.

As always, we remain open to discussing any concerns you may have regarding visiting arrangement and your personal circumstances.

Thank you all for your continuing patience, cooperation, and support.

Kind regards,

James Wilson
Director
The Beeches
