

Visiting with Care

A Snapshot Survey

We want to hear from residents, families and staff in relation to a recent experience of visiting in Care Homes.

During the last month...

- **Have you had a visitor come to see you in your Care Home?**
- **Have you been to visit family or friends in a Care Home?**
- **Do you work in a Care Home?**

We want to hear from you so we can learn what went well and what needs to change.

This Snapshot Survey will open from **Monday 11th April 2022** and will close on **Friday 27th May 2022**.
